MY MISSION

- ★ I am a hardworking student who will stop at nothing to learn something new. I love to be involved and am not afraid to ask questions. My motto(s): "If you want something you've never had, you have to do something you've never done!" And, "All roads that lead to success have to pass through Hard Work Boulevard at some point!"

PROFILE

- + Honor roll high school student with a passion for expanding my knowledge of the sciences and learning new things and trades. Has the ability to communicate effectively through a variety of situations.
- + Plans to become world renowned scientist on the following fields: chemical engineering, paleontology, physics (Quantum & Astro), environmental biology, computer science and coding, forensic anthropology, and forensic chemistry.

Strengths

- + Math & Science
- + History, Literature & Writing
- + Leadership & Communication Skills
